(1) Visit Mopar.com for complete details and a copy of the Powertrain Limited Warranty. (2) Visit Mopar.com for complete details and a copy of the Basic Limited Warranty. (3) Based on Nauto customer case. (4) Always check entire surroundings visually before proceeding. (5) This system is a driver convenience system, not a substitute for active driver involvement. The driver must remain aware of traffic conditions and maintain control of the vehicle. (6) This system is a driver convenience system, not a substitute for active driver involvement. The driver must remain aware of traffic conditions and be prepared to use the brakes to avoid collisions. (7) Always check visually for vehicles prior to changing lanes. (8) Always drive carefully, consistent with conditions. Always wear your seat belt and obey traffic laws. (9) This system is an alert system for the front of the vehicle. It is not a substitute for active driver involvement. The driver must remain aware of traffic conditions and be prepared to use the brakes to avoid collisions. (10) This system is a driver convenience system, not a substitute for active driver involvement. Factors including weather and condition of the traffic sign can impact recognition and display of the sign. Driver must remain aware of traffic conditions and maintain control of the vehicle. (11) This system is an alert system for the front and sides of the vehicle. It is not a substitute for active driver involvement. The driver must remain aware of traffic conditions and be prepared to use the brakes to avoid collisions. (12) Always look before proceeding. An electronic drive aid is not a substitute for conscientious driving. Always be aware of your surroundings. (13) Traffic Sign Recognition System is not a substitute for safe and attentive driving. Factors including weather and condition of the traffic sign can impact recognition and display of the sign. Always check traffic signs visually while driving. (14) Vehicle must be enrolled with Dodge, Jeep or Ram Connect, be in an active and usable cellular range, have an active subscription and be properly equipped with a Uconnect 5 NAV system. Requires a Wi-Fi Hotspot data plan and linked Amazon account to run Alexa in the vehicle. (15) To wirelessly use Android Auto on your display, you need a compatible Android smartphone with an active data plan. You can check which smartphones are compatible at g.co/androidauto/requirements. Android Auto is a trademark of Google LLC. (16) Requires compatible iPhone. See dealer for phone compatibility. Data plan rates apply. Vehicle user interface is a product of Apple. Apple CarPlay is a trademark of Apple Inc. iPhone is a registered trademark of Apple Inc., registered in the US and other countries. Apple terms of use and privacy statements apply. (17) All vehicles properly equipped to receive connected services come with a three-month trial of Assistance Package or Assistance + Navigation Package (if equipped), five years of Vehicle Performance Package, and 10 years of Safety and Security Package effective from the date of purchase or lease of a new vehicle. Enrollment in the trial is required to receive services. Upon expiration of the trial period, purchase of a subscription is required to continue or renew services. Services are available on equipped vehicles purchased within the United States, Canada and Puerto Rico. Services can only be used where cellular coverage is available. See the applicable Terms of Service for complete terms and conditions, including service limitations. (18) Vehicle must be in an active and usable cellular range and be properly equipped with a Uconnect 5 NAV system and the Rear-Seat Entertainment Package. For streaming, requires a Wi-Fi connection and linked Amazon account to run Fire TV in the vehicle. Streaming service subscriptions are not included. Certain services are subject to change or withdrawal at any time, may not be available in all areas and languages, and may require separate subscriptions. (19) SiriusXM Guardian equipped vehicles only. Vehicle uses Connected Travel and Traffic Services. All SiriusXM Guardian equipped vehicles come with a three-month complimentary trial effective on the date of purchase or lease of a new vehicle. Enrollment in the trial is required to receive service. Upon expiration of the trial period, purchase of a subscription is required to continue SiriusXM Guardian. SiriusXM Guardian is available only on equipped vehicles purchased within the United States and Puerto Rico. Services can only be used where cellular coverage is available. See Uconnect and SiriusXM Guardian Terms of Service for complete service limitations. (20) Not all vehicles or devices are capable of receiving all services offered by SiriusXM. Data displays and individual product availability vary by vehicle hardware. Current information and features may not be available in all locations, or on all receivers. Weather Forecast, Current Conditions may not be available in all locations. (21) All SiriusXM services require a subscription, sold separately by SiriusXM after the trial period. Your SiriusXM service will automatically stop at the end of your trial unless you decide to subscribe. **If you decide to continue service after the trial, the subscription plan chosen will automatically renew and you will be charged according to your chosen payment method at the then-current rates.** Fees and taxes apply. **See the SiriusXM Customer Agreement and Privacy Policy at www.siriusxm.com for full terms and how to cancel, which includes online methods or calling 1-866-635-2349.** Available in the 48 contiguous United States, D.C. and Puerto Rico (with coverage limits and capable receiver). Visit www.siriusxm.com/FAQS for most current service area information. Availability of some services and features is subject to device capabilities and location restrictions. All fees, content and features are subject to change. SiriusXM and all related logos are trademarks of SiriusXM Radio Inc. and its respective subsidiaries. SiriusXM with 360L is only available on select vehicles. Certain features and/or content may not be available unless an active data connection is enabled in the vehicle. Content varies by subscription plan. Features and display may vary by vehicle. (22) Vehicle must be enrolled in an active subscription with Connected Services. (23) Three-month/1GB trial included with the purchase or lease of a new vehicle. Upon expiration of the trial period, purchase of a subscription is required. Wi-Fi Hotspot available through third-party subscription. Requires Internet-enabled mobile device. See dealer for details. This feature is not intended for use by the driver while the vehicle is in motion. Always drive carefully. (24) The Uconnect Phone requires a mobile phone equipped with the Bluetooth Hands-Free Profile. To check phone compatibility, please visit www.UconnectPhone.com. (25) This system is not intended to be used while vehicle is in motion. (26) Highway Assist System requires the driver to keep his or her hands on the steering wheel at all times. This system is a driver convenience system, not a substitute for active driver involvement. The driver must remain aware of traffic conditions and maintain control of the vehicle. (27) Check state and local laws regarding the use of remote start systems. (28) Based on manufacturer's estimates – actual mileage may vary. (29) When properly equipped. See dealer for details. (30) Only available in Texas. (31) Always sit properly in designated seating positions with seat belts fastened at all times. (32) Based on 2026 model-year specifications. (33) All dimensions are in inches unless otherwise noted. (34) Vehicle must be locked and system activated for alarm to sound. (35) 2026MY EPA estimates shown. Actual mileage may vary. (36) Always sit properly with the head restraint properly adjusted. Never place anything in front of the head restraint. (37) Does not include allowances for wheelhousings. (38) Payload and Max Trailer Weights are ESTIMATED values. All values are shown in lb unless otherwise stated. Payload and Max Trailer Weight values are rounded to the nearest 10 lb. Payload = GVWR – Base Weight. GAWRs, GVWRs and GCWRs should never be exceeded. Recommended tongue weight determined by class of hitch receiver and hardware limits of upfit. Upfit or aftermarket equipment weight not included with Base Weight. Frontal Area: maximum allowable Frontal Area, in ft-squared, that the vehicle can project. For details on calculations, please refer to Ram Body Builders Guide. If the Vehicle Emission Control Information (VECI) Label and Max Upfit Weight are not available, then the vehicle is not restricted to Maximum Vehicle Capacity Weight (MVCW), Frontal Area or Maximum Upfit Weight limits; however, GVWR/GAWR/GCWR cannot be exceeded. (39) Do not attempt water fording unless depth is known and consistent with the vehicle's water fording rating in the Owner's Manual. Traversing water can cause damage that may not be covered by the new vehicle warranty. Always off-road responsibly in approved areas. (40) Based on EPA-estimated 82 MPGe and 30 MPG combined. Actual mileage may vary. (41) Always be aware of your surroundings, and drive carefully, consistent with conditions. (42) Curb weights are estimates and include standard equipment and full quantities of fuel, lubricant and coolant. (43) Based on 2026MY FE.gov estimates – actual mileage may vary.
